

CELEBRATING THE 150TH ANNIVERSARY OF THE HEAVENLY BIRTH OF ST. MARIA MICAELA IN MUMBAI

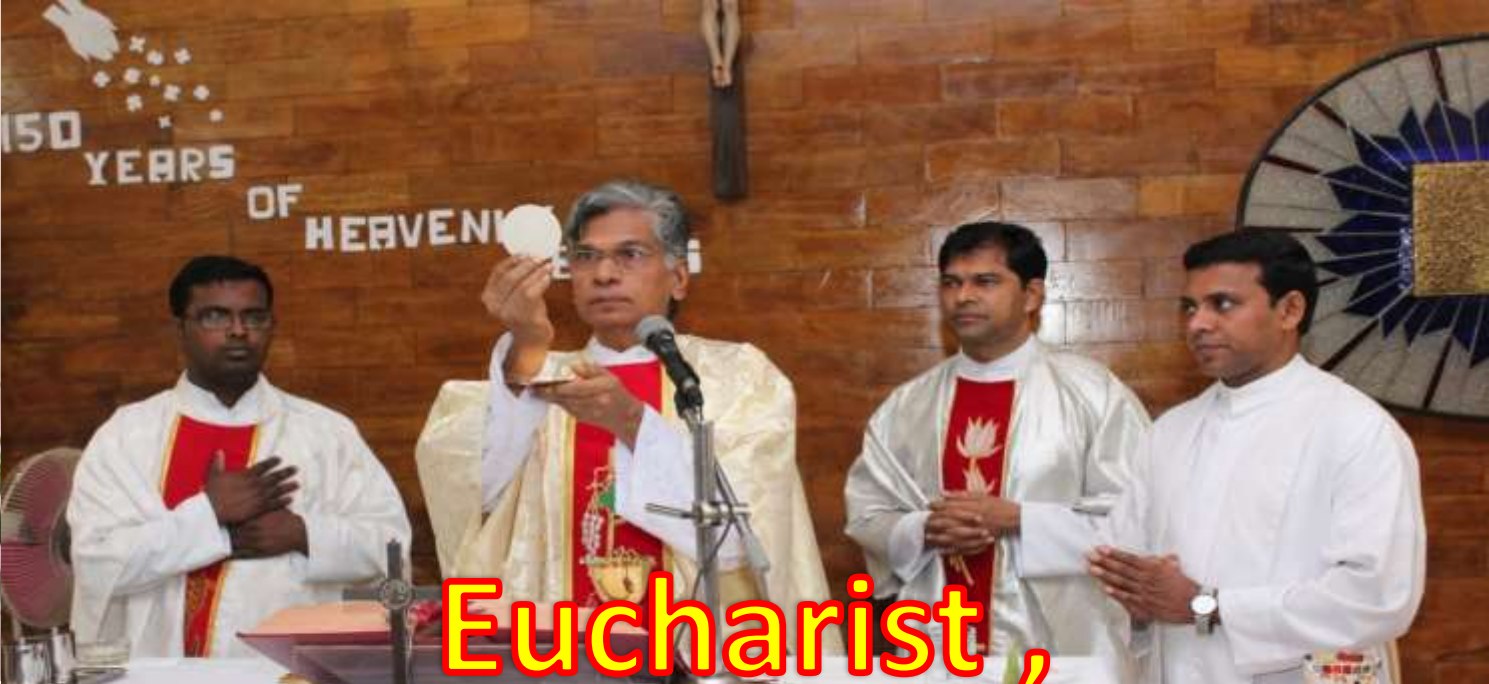

We thank and Praise God for the gift of our Foundress St. Maria Micaela who left a legacy of love and sacrifice giving **all to all**. We are privileged to celebrate today her 150th anniversary of her heavenly birth. She continues to live among us with her love and inspiration, showers of Peace and blessing, miracles of healing, radiating joy, being hope and consolation to the broken hearted, as she enjoys the heavenly bliss.

In preparation for this Feast, we had the 40 hours of Adoration and Novena to our Holy foundress, culminating it by the solemn Eucharist concelebrated by 4 priests. Our parishioners of St. Vincent Pallotti church came in large numbers, taking turn to adore Jesus and get healing, as well as for the Holy Eucharist at the Residence Chapel. There was a Biblical exhibition of paintings of Salvation history by Fr. Thomas Tudipara which was connected to our Charism of Liberation depicting the life of Micaela. It was followed by a fellowship gathering. Our communities of Mumbai, laity and beneficiaries shared in its joy.

As part of this spiritual celebration we have committed ourselves to deepen our Eucharistic spirituality and a joyful sense of belonging to our charismatic congregation.
