

Great Feast of Our Adorers' Family October 15, 2019

Today the liturgy celebrated the day of St. Teresa of Jesus, teacher of spiritual life and doctor of the Church. But in Valladolid, this was not just any other feast, because our dear Superior General, Sr. TERESA VALENZUELA, has given us the gift of coming to spend her onomastics with all of us.

It has been days since the three communities of Valladolid, of this austere but endearing Castilla, were pondering how to pay homage to our Superior General. Each one of the sisters expressed her feelings and all of them, from the humility and simplicity that characterizes them, achieved the desired objective.

Already in the early hours of the morning, it was clear what this great day in Valladolid was going to be like: a privileged expression of COMMUNION, a joyful encounter with the life that flows from each one of the sisters of our great Adorers' Family and a demonstration of GRATITUDE and LOVE, to the person who for so long carries on her shoulders the piloting of our CONGREGATION.

Morning prayer, breakfast, arrival of the sisters who were lucky enough to be able to travel to be physically in Valladolid, Eucharist, food, recreation, gifts, theatre..... There was nothing missing that was in our hands that was not directly focused on Sr. Teresa.

We were accompanied by the entire General Government and our Provincial Government, with the exception of some sisters who could not be present for reasons of work, because life goes on and we have to give answers on a daily basis. But the truth is that ALL THE CONGREGATION was very present.

And, as St. Teresa used to say: "in hard times, strong friends of God" because "the things of God's service are already going so thinly, that it is necessary to turn our backs on each other those who serve him to go forward".

That is why today, in addition to thanking the Lord for this great gift, we ask him, through the intercession of St. Mary the mother of Jesus and St. Maria Micaela, to encourage our fraternal life and to keep us awake to always know his will. And all this, making way to our rhythm of ADORATION/LIBERATION.

THANK YOU Sr. TERESA, MAY GOD CONTINUE TO BLESS YOU. CONGRATULATIONS AGAIN.
